

# The Wartburg Trumpet

VOICE OF THE KNIGHTS

Volume 52

Wartburg College, Waverly, Iowa, October 18, 1958

Number 6

## Atomic Age, HC Are Convo Fare

Dr. Karlis Leyasmeyer, European educator, author and editor, will lecture in Tuesday's convo on "The Fateful Problems of the Atomic Age." Paul Fuchs, senior and Homecoming chairman, will be in charge of the Homecoming presentation in Thursday's convo.

Dr. Leyasmeyer's lecture will revolve around an analysis of the present world situation. Born in Latvia and educated in Latvia, England and Germany, he has had personal experiences with the Communist and Nazi regimes. Dr. Leyasmeyer is sponsored by the Committee on Education of International Christian Leadership, Washington, D. C.

Included in Thursday's convo will be short skits put on by the Homecoming Committee and a presentation of the theme "Firm Foundations" by Dr. Edwin Sandberg, of the English Department.

## Kapers, Royalty, Start HC Weekend

"WON'T SOMEONE BUY A POM-POM?" says Homecoming Novelties chairman, Don Claggett, sophomore.

By E. Lorraine Fiegen

Final selection for the Homecoming Queen and her court, which will be made during convo on Tuesday, will make the 1958 Homecoming plans complete.

The three-day festivities will begin Oct. 24 with Kastle Kapers, the students' variety show, carrying out the theme "Holiday Knights." Included in the 24 acts will be dancing, singing, pantomime, humorous declamation, announcement of the winners of the beard-growing contest and the introduction of the queen and the four members of her court.

Immediately after Kapers the bonfire and pep rally featuring fireworks will be held in North Field.

### Bands Will March

Five bands, Wartburg, Shell Rock, Denver, St. Ansgar and Plainfield, and 24 floats will progress down Bremer Avenue Saturday morning. The floats will be judged by Dr. Manoocher Aryanpur, of the Wartburg English Department; Robert Hickie, personnel manager at Schield Bantam Company, Waverly; and Mrs. E. J. Volkmann, a 1953 Wartburg graduate from Hartsburg, Ill.

Main event of the weekend will be the game at Schield Stadium against Iowa Wesleyan. Buttons, shakers, cowbells, pennants, confetti and balloons will be on sale to help the Jomen "Tame the Tigers." During half-time the four members of the royal court will be presented and the queen will be crowned.

### President's Son To Speak

Dr. Arthur Becker, professor of pastoral counseling at Capital Seminary, Columbus, Ohio, and son of Wartburg's president, will speak at the banquet Saturday evening.

Jim Roeber, 1957 Wartburg graduate from Reedsburg, Wis., will act as master of ceremonies. Johnny Loesch from Royal, Ill., and Andrea Richardson from Jeffers, Minn., both freshmen, will provide musical entertainment.

Music for the semi-formal Homecoming ball, "Harvest Holiday," being held in Knights Gymnasium after the banquet, will be provided by the Blue Dominoes of New Hampton.

### Braun To Preach

Sunday worship services will be held at St. Paul's Lutheran Church conducted by Dr. A. L. Braun, president of the Minnesota District of the American Lutheran Church.

Dormitory Open House will be on Saturday from 11:30 a.m. to 1 p.m. and Sunday from 2:30 to 4:30 p.m. Rooms will be judged by faculty members between 8:30 and 10:30 a.m. Saturday. Points under consideration will be cleanliness, conduciveness to study, as well as other features.

### Fritschel Heads Dedication

Dr. E. G. Fritschel, Denver, Colo., 1924 Wartburg graduate, third vice president of the American Lutheran Church and Central District president since 1945, will be the speaker at the dedication of the new men's dorm, Clinton Hall. Castle Singers and the Wartburg Band will provide the music.

Bringing the weekend to a close will be the presentation of a concert by the Danish National Orchestra, first Artist Series number of the season, in Knights Gymnasium Sunday evening.

Six class reunions, alumni chapel, coffee hour, annual meeting and luncheon are among the alumni activities for the weekend.

## Building Bids To Be Let Soon

Bids for the proposed \$250,000 chapel-auditorium will be let Nov. 17-21, according to Herb Engelbrecht, college business manager. Preliminary plans are presently being completed.

An addition to Luther Hall, the chapel-auditorium will seat 1,300 people. Its features include a large stage with movable scenery, spacious dressings rooms, balcony and space for a pipe organ.

## Students Have Wage Increase

Student wages have increased eight per cent over last year, according to Herbert Engelbrecht, college business manager. A total of \$54,000 was spent for wages last year.

Basic pay rate this year is 65 cents per hour. Laboratory assistants, station wagon drivers and students working overtime receive extra pay.

## Patten To Seek PMB's Mon.

The Rev. Chester A. Patten, assistant youth director of the American Lutheran Church, will be on campus Monday to interview students interested in Parish Mission Building work and voluntary church services.

He will conduct interviews by appointment in Fuchs Lounge all day Monday. Appointments may be made through Joyce Aden, Christianity office, Old Main.

## Two Federations To Rally Tomorrow In Knights Gym

Wartburg will play host to the Jubilee-Pleasant Valley joint fall Luther League rally tomorrow, theme of the rally being "Sing Unto the Lord."

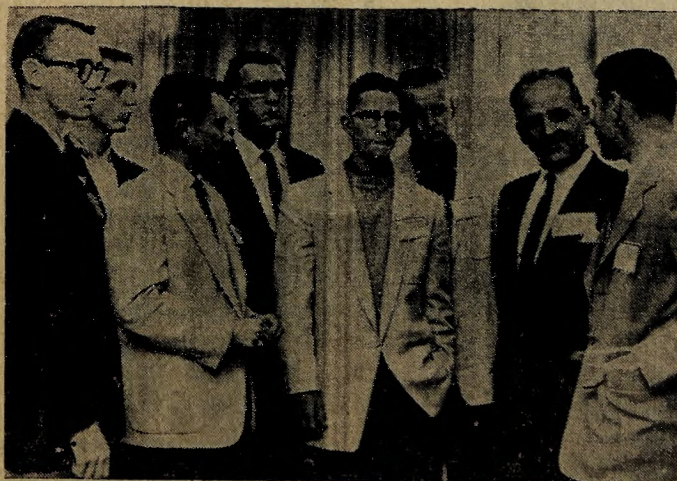

The Rev. Chester Patten, assistant youth director of the American Lutheran Church, will give the keynote address.

Registration starts at 2 p.m., and at 2:15 p.m. opening devotions and prayer will be led by Dr. Karl T. Schmidt of the Wartburg Christianity Department. Dr. G. J. Neumann, head of the Wartburg English Department, and Jim Ward, president of the Jubilee Federation, will give the welcome introductions.

Following the keynote address by Pastor Patten, a singspiration will be led by the Rev. A. G. Schardt of Cedar Falls. The individual business meetings will be held at 4:30 p.m. with Jim Ward and Wendell Debner, president of Pleasant Valley, in charge.

Supper is scheduled for 5:30 p.m., followed by a Vesper Service conducted by the Rev. Otto Reitz, Shell Rock, and Pastor Patten.

## Chemists See Cornell

WARTBURG DELEGATES traveled to a chemistry meet at Cornell college, Mt. Vernon, last week.

Shown here with Dr. Herbert Hendricks (far right) of Cornell are: (l. to r.) Charles Swensen, Chemistry Department, Ron Pfohl, Herman Hein, Dick Chellevoid, Richard Neitzke, all seniors, and Dr. A. W. Swensen, head of Chemistry Department.

## Goal Will Not Be Set For 1958 Campus Chest

Wartburg's 1958 Campus Chest will not have a set goal, according to the vote of the Campus Chest Committee this week. The committee also decided to include faculty members in solicitation.

No goal was specified because the idea of stewardship is the basis for the drive, according to senior Roger Buhr, committee chairman.

Choice of a campaign slogan and selection of charities will be acted upon at the committee's next meeting Oct. 27.

Committee members have been assigned special duties, said Buhr. Sophomore Fred Mai, chairman, junior Beverly Schoeman, sophomore Deanna Stob and freshman Don Dietzler will handle solicitation.

Secretary of the group is senior Lois Huth, and John Pavelka, senior, serves as treasurer. Frosh Pat Schiefelbein is in charge of publicity. Organizational heads will be questioned by Ron Freimark, junior, about favored charities.

## Testing Here

Wartburg will be the scene of the state-wide scholarship testing programs to be given on Oct. 25 and Nov. 1.

Administrators of the Iowa College Scholarship Testing Program from Wartburg, Iowa State Teachers College, Luther and Upper Iowa will meet at 10 a.m. next Monday in Fuchs Lounge.

## Sandberg Speaks At Three Places

Three speeches have been on the week's agenda for Dr. Edwin Sandberg, Wartburg English Department.

Dr. Sandberg, last year's winner in the adult division of the Iowa Poetry Day Association contest, will speak today at the organization's annual meeting in Cedar Rapids.

Sunday he will travel to Maquoketa, where he will address a District Brotherhood meeting. His topic will be "The Uncommon Man."

Last Wednesday evening Dr. Sandberg spoke at the banquet of the Lions Club in Sumner. His address there centered around the interesting and humorous aspects of Indian music.

## Petri Publishes Scientific Paper In Vet Journal

An article by Dr. Leo Petri of the Wartburg Biology Department appeared in the Journal of the American Veterinary Medical Association for August, 1958.

A result of several years' research into the effect of roundworm parasites on the cattle of this region, the article is entitled "Seasonal Fluctuation of Gastro-intestinal Nematodes of Imported Beef Feeder Calves in Northeast Iowa."

The article deals with one phase of an extensive research program of parasite control of cattle being conducted throughout the United States.

The first phase is to establish the kinds and degree of parasitism in dairy and beef cattle in this area and to establish whether there is a strategic time for treating cattle with remedies to rid them of the parasites before they reach disease-causing proportions. The over-all program is of great economic value to farmers raising cattle.

As a follow-up to this article dealing with imported beef cattle, Dr. Petri stated that he hopes soon to publish one incorporating data on a number of local dairy herds.

## Girl Gets Ring, Plans

Verlene Barth, Greene, received a diamond from Floyd Senne, Allison, this week. Both are Wartburg sophomores. A summer wedding is planned.

## HANSON IN CHICAGO

Dr. Clifford Hanson, head of the Philosophy Department, conducted three worship services at the Harvest Festival of the Golgotha Lutheran church of Chicago last Sunday.

Leadership Of Tomorrow Has Roots On Local Front

The quality of leadership is not strained, it does fall as a gentle dew from Heaven, blessing him who leads and him who follows, for true leadership is a quality like mercy.

Last Saturday, a group of approximately fifty persons, faculty and student, from Wartburg attended a leadership retreat at Heery Woods State Park, Clarksville. Although this type of assembly could have turned into a spiritual treasure hunt, it apparently made an honest effort to recapture some of this elusive quality which leaders are supposed to possess.

It would be simple to blame problems of leadership on the age we are living in, to cover up our lack of leadership as students with cries of "beat generation" and "atomic apathy." Since so much of this leader fear covers the pages of our daily communications, it is assuring to know that an attempt is being made on a local level, where it should begin, to cope with these problems of leadership.

It would be foolish to look for immediate results in the area of leadership on the Wartburg campus after allowing interested campus leaders a few sunny hours in retreat. It would be wiser to reflect on the idea that Wartburg is taking a stand on the problems and responsibilities facing our generation as leaders of tomorrow's world segments.

Problems facing world leadership today are greatly evidenced in our present political situation and in the sociological problems confronting state leaders on internal affairs. There are no Abraham Lincolns freeing themselves of puppet strings, but the need for such leadership does exist from the international down to the local level of our present-day society.

It should be the desire of every person reading this newspaper that efforts to attain better leadership through local beginnings, diverting into larger realms of contact, be propagated by a community effort here on the Wartburg campus.

If the quality of our leadership is strained, the anemics of our college society will certainly foredoom, at least in part, the future hopes of the nation and the world at large.

Student Defends Wartburg Effort For Academics

To the Editor:

Now that views have been expressed on campus "suit-casism," I feel it is time for a Wartburg student to speak up, especially to reply to the serious criticism of the student body's alleged "widely accepted attitude" that a half-hearted academic effort will suffice at Wartburg.

As a transfer student from a high-ranking university, I want to stand in defense of Wartburg's students. Leaving potential out of the argument, I firmly believe that the academic effort exerted by the average student at Wartburg exceeds that which I observed last year in a top university.

The success of Wartburg graduates in graduate schools is in itself testimony to the quality of academic preparation accomplished at Wartburg. I personally feel that my academic training will not suffer in the least from attending Wartburg where there seems to be an attempt to avoid graduating "stuffed heads," who are prepared for the academic realm but succeed poorly as persons.

Time does not hang heavy on my hands, and I have no sympathy whatsoever for the few students who make this complaint. Most of them will not be back on campus next year. The heads of the college should by now realize the near-impossibility of reforming the academically irresponsible student.

The request for a campaign for academic excellence in the Trumpet is ill-considered, in my opinion. Those who need this "shot in the arm" are likely to be among the apathetic minority that don't even read the school paper.

Sincerely yours, Bill Goetz

Here Are Ten Queens—Five Will Reign

Rosemary

Karla

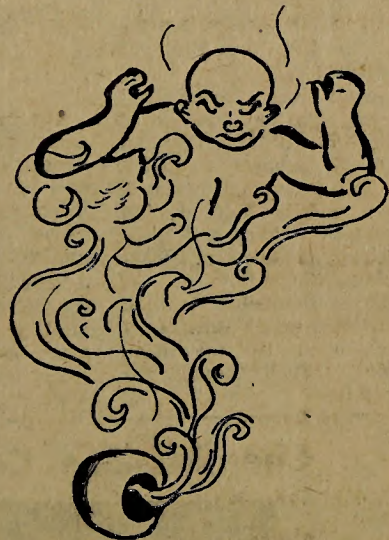

Jan

Helen

Elaine

"One Of These Shall Be Ruler"

By Joan Pape

Ten pretty and popular coeds were chosen at convocation Thursday as candidates for 1958 Homecoming Queen and court.

Seniors Karla Edgar, Helen Rae Mueller, Elaine Schneider, Rosemary Dhein Schneider and Janet Welsch will contend for the title of queen, as well as for positions on the court of four.

Competing for the court only are juniors Darlene Arns, Shirley Campbell, Barbara Knoll, Delores McMahan and Meredith Stuhmer.

After a final election held by the Student Body next Tuesday, announcement of the queen and her four attendants will be made at the annual Kastle Kapers festivities Friday night.

Heading the list of senior girls alphabetically is Karla Edgar, a biology-education major from Oklahoma City, Okla. Karla, who was also on the court of the 1957 Homecoming Queen, was Spring Sports Queen and Student Body Carnival Queen during her freshman year. She is active in Beta Beta Beta, national biology fraternity, and Student Education Association.

Music major Helen Rae Mueller is this year's president of the Wartburg Women's Co-ordinating Board. A native of Tripp, S.D., Helen was a candidate for queen of the 1957 Student Carnival and is active in the Wartburg Choir.

A member of this year's Student Senate is Elaine Schneider of Chicago, Ill. A major in social work, Elaine is kept busy this year doing field work at the Waverly Lutheran Children's Home. She was also on the Homecoming Queen's Court last year and was a sports queen attendant.

Another member of last year's Homecoming court is Rosemary Schneider. Previously known as Rosemary Dhein, she became Mrs. Roger Schneider last summer. A native of Appleton, Wis., Rosemary is a vocal music major.

Completing the list of queen candidates is Janet Welsch. Janet is a biology-education major and a native of Mendota, Ill. She is active in Beta Beta Beta and the Women's Athletic Association.

Wartburg's Week

Saturday, Oct. 18  
2 p.m. — Football, Away, St. Cloud  
Sunday, Oct. 19

Knight Life

By Don Claggett

So the free movie was shown in the Gym rather than "under the stars with viewers closely seated on blankets," as this columnist reported last week. We would like to set the record straight by saying that the movie was shown under a roof, with viewers closely seated on chairs.

Wartburg Jomen were so deceptive and tricky last Saturday that they not only confused their opponents, but also had the field announcer so "shook" that he announced, "... that play brought the ball to the Wartburg 54-yard line."

Former Wartburg student Dick Cox was seen on campus last week wearing the attire of Uncle Sam's Army. This proves the point that old North Hall men never die — they just become generals.

After weeks of training, turtle expert Norm Karl of third floor Grossmann reports that he is ready to challenge anybody's turtle — anywhere, any time. Sorry, no hares allowed to enter.

Pizza lovers! Now hear this: Bielenberg and Roach, Grossmann chefs, serve the tasty pies at least three times a week in the dorm's kitchen. All interested parties are welcome — at your own financial risk.

"Button, button, who's got the button?" Remember that game from childhood days? Speaking of games, on Oct. 25 Wartburg plays Iowa Wesleyan in the big Homecoming contest. You'll need a button for this game, too. If you suspected a plug, you're right. Homecoming buttons are 35 cents this year, inexpensive enough so that everyone can afford one.

Homecoming weekend is also the weekend which precedes the midsemester exams, and for only \$14.95 you can have a real ball and flunk all your tests besides. Morbid thought, but sadly true.

Questions for the week: Why all the line cutting at supper? Why doesn't everyone go to chapel? Is it necessary to have the biggest traffic jam in Luther Hall every time the bell rings?

Flashy! Flashy! American literature students! Don't be discouraged. The unknown fact is that there WAS one A given to offset those 20 F's in our beloved class's latest exam. Not bad, considering there are 38 in the class.

Good Knight-Lifing To All!

# Jomen Travel To St. Cloud

## Non-Conf. Clash On Minn. Field

By Don Bathgate  
Wartburg's grid squad travels to St. Cloud, Minn. today to take on the Huskies of St. Cloud State College. This will be the first meeting between both teams.

St. Cloud Huskies, coached by Jack Wink, will be out for their first victory of the year. So far this season, they have five losses and one tie following a dismal season of last year when they went without a win.

### Clouds Are Green

Coach Wink had only seven returning lettermen this year, none of whom were steady starters last fall, with the result that this year's squad lacks experience.

Today's game will be played under the NCAA rules; therefore, there will be no free substitution and the teams will be able to try for two points after a touchdown.

A change in line-up was announced for today's game with Jack Reents starting at center, John Hugo and Jim Arjes at guards, Chuck Wallin and Ron Krueger at tackles, Ray Boyens and Bob Mueller at ends, Marv Ott at quarterback, Dave Jensen and Tom Van Wyngarden at halfbacks and Larry Raper at fullback.

### Knights Knock BV

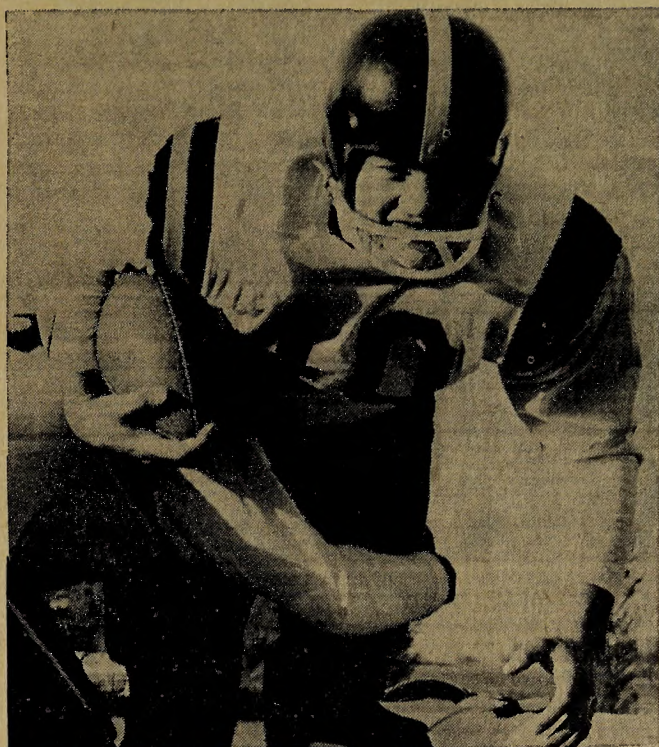

Wartburg's offense broke loose in the second half of last week's game with Buena Vista as the Knights chalked up three touchdowns and one point after to add to the half-time score of 13 to 7 and turn the game into a rout with Wartburg winning 32 to 7.

## Country Runners Eat Loras' Dust

Wartburg's cross-country team was forced to take defeat again Tuesday as Loras of Dubuque outran the thinclads by a score of 21 to 34.

Gary Moody was the first to cross the finish line for Wartburg as he took third. Don Dietzler captured fifth and was followed by Bob Boettcher and Ted Kalkwarf, who took seventh and ninth-place honors, respectively. Gerald Haffner was the fifth Wartburg runner to finish, running twelfth.

Coach Campbell's squad traveled to Decorah today to take on Luther at 11 a.m. ISTC will be here Tuesday at 4 p.m. to tangle with Wartburg runners at the Waverly Golf Course.

**LARRY RAPER**, stellar Knight fullback, formerly from Fontanelle, now Waverly, drives through a Johansen series in preparation for today's non-conference play at St. Cloud State.

## Lineman Of The Week

Reents

Outstanding offensive and defensive line play at Buena Vista earned Senior Jack Reents the Trumpet's lineman of the week honors.

Reents, from Adams, Neb., collected all panel members' votes except one. That was cast for Chuck Wallin, sophomore from Gaylord, Minn.

Jack was a letterwinner in '55 before taking off two years to do volunteer mission work in New Guinea. He has been a mainstay in Coach Norm Johansen's line this season, playing offensive tackle and moving to the center of the line when the opposition has control of the pigskin.

## Picking Up Splinters

By Wilbur Flachman

Coach Norm Johansen and his Iowa Conference pacing Wartburg Knights, will step out of loop action this week, traveling to St. Cloud, Minn., for a Homecoming warm-up tilt.

Knights are currently in top spot in the league race as a result of last Saturday's 32-7 romp over Buena Vista and Parsons' 20-7 upset of Dubuque University. Wartburg is second among all Iowa schools, topped only by Coe's perfect 4-0 record.

The five touchdowns the Knights scored at BV last week was the highest total recorded by a Knight pigskin team since the '54 squad thumped Simpson 33-13 and Upper Iowa 40-12. This serves as an indication of the improvement of the Knights' offensive attack. Johansen's T offense moved equally well on the ground as in the air, and against a Buena Vista line that averaged close to 210 pounds.

Wartburg's ground defense was stingy also, zeroing in on BV's Lanny Grigsby and leaving him with a total of minus seven yards rushing for his evening's performance. Before the game Grigsby ranked third in the United States in total offense.

Although all hands were instrumental in the win, special recognition would go to junior fullback Larry Raper and soph QB Marv Ott. Raper ran with the power of an All-American and broke loose with a 43-yard scoring jaunt in the third period that completely broke BV's back.

Ott, only in his second year as signal caller, ran the Knight offensive attack with all the poise of a veteran, mixing the plays well and passing with much accuracy.

Also turning in top performances were three linemen. Play of senior Jack Reents, junior Ron Krueger and soph Chuck Wallin should be singled out for special mention.

Football squad members wish to express thanks to the enthusiastic cheering section at the Buena Vista contest. An estimated 125-150 supporters comprised the Wartburg section at Storm Lake last week.

Game situation will be a little different at St. Cloud today. The contest will be played under NCAA rules, which limit substitution and allow a team to go for the two-point bonus after a touchdown.

St. Cloud has not been victorious as yet in five contests, but the Minnesota school has an enrollment of 2,600 students and quite possibly might play a rugged schedule.

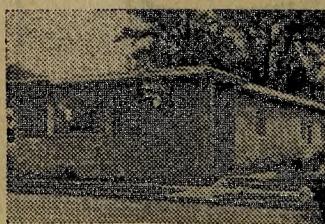

Notes — Dr. Ax Bundgaard, Wartburg Athletic director, was re-elected secretary-treasurer of District 15 of the National Association of Intercollegiate Athletics at the NAIA meeting Monday in Des Moines. — Duane Schroeder, Wartburg News Bureau director, will serve as publicity agent for this district for the coming year. — Official basketball practice will begin Nov. 3. — Wartburg band will be traveling to Dubuque for the Nov. 1 tilt. — Leroy Bose-neiler, soph quarterback, may not make the trip to St. Cloud because of rib injuries suffered last week. — Next week's Homecoming game will start a half-hour later than other home games — 2 p.m.

## Tripping With The Trio

Jane

Joan

Carol

By popular request we bring you another episode in the tantalizing series of current, electrifying happenings the campus over. We have even heard that when students are layed-up for the weekend, they live for the moment when they can turn to the hack page and live again.

We found a new use for the straws in the Den. "Going to Homecoming — not going to Homecoming — going — not going — etc. — etc."

Attention all hoola-hoopers! Dave Jensen now gives lessons in the art of hoola-hooping.

If your Knight is like a thistling,  
And you're having trouble kistling,  
Ladies, you can stop your needling,  
The Beard committee plans a meeting.

Ira-Tate

This meeting of beard-growers is to be held on Thursday, Oct. 23, at 7 p.m. in the Fine Arts Building.

Two-thirds of the Warthurg mascots will not be gracing the campus. We have become "suitcases" for the sake of the team. We'll see you at the St. Cloud game at 2 this afternoon.

How's your Cadillac running? Business Students Association is sponsoring a car wash next Friday from 1-5 p.m. Their kindly adviser is letting them slosh the water at 110 7th Ave. S.E. Bring your mud to them.

Wartburg's "Moments To Remember"

The "Harvest Knight" we did the town,  
The day we tore the "Tigers" down,  
We will have these moments to remember.  
The floats we made, the noisy fun,  
The Homecoming prize we almost won,  
We will have these moments to remember.  
Though riches turn to rags, and the figure disappears,  
The dress that we were forced to buy, will have to last us years.  
When other Knights have gone their ways,  
You'll find us three in this same daze.  
We will have these moments to remember.

If you have any complaints or cash lying around, please make use of our one possession left to us; that is, our mail bag in the Pub House. We are open for suggestions and news.\*

This concludes the broadcast for today. The Trio is a true-to-life drama. Only the faces have been changed to protect the editor.

\*Seconding the motion: How's about you publicity chairmen of organizations getting your news in the Trio envelope in the hallway of the Pub House? That's right — it's wanted.  
—Editor.

### Free Car - - For Sale

Bill Reints, sophomore from Clarksville, was the lucky recipient of the 1949 Studebaker given away by Kerwin's Clothing Store recently.

When asked what he intended to do with the automobile he replied, "I'd like to sell it to some student on campus because I already have a car at school."

### Who's Who? Who Knows?

Results of the "Who's Who" elections held during convocation Tuesday will be released next semester, according to Larry Nelson, elections chairman.

Reason for the delay is that the publishers of "Who's Who in American Colleges and Universities" must officially approve each candidate. Seventeen Warthurg seniors will be listed in the book.
